

### Policy for Selection of Booths:

- Booth selection order is based on the number of booths and sponsorships taken at the 2017 show, allegiance to the shows in years past and spacing opportunities. End caps will be reserved for those vendors taking two or more booths. Management reserves the right to make changes in booth assignments due to spacing issues.
- Exhibitors with 4 or more booths will be accommodated first
- No single booths on end caps
- Your exhibit space is NOT guaranteed until all 2018 exhibitors have been assigned their booth number(s). Please note, this will take about six weeks from the conclusion of the 2017 show.
- You will receive a confirmation email about 6 weeks after the 2017 show that will confirm your booth assignment for the 2018 show.
